Dear Ms. Miller:

RE: Interior Cleaning of Your Home

I am writing you this letter as a followup to our conversation we had on the evening of March 19, 2002. As I indicated then, the Environmental Protection Agency (EPA) is offering to re-clean the interior of your home at a time convenient for you and your family. Mr. Jim Silver, EPA's On-Scene Coordinator, will be contacting you in the near future to arrange for a time to perform this cleaning. Please contact Mr. Silver or Mr. Bruce Morrison of my staff if you have any questions concerning this matter.

Sincerely,
